

Endurance Plus™ ROLLER LIFTERS from ISKY!

Get Serious with *New Durathon™* Roller Lifters from ISKY! (The ABSOLUTE BEST VALUE IN RACING TODAY)

The Durathon™ Series was developed utilizing the latest advances in precision CNC Machine Cell Technology, focusing on the most popular (Highest Volume) applications. Durathon™ Lifters feature a High Quality, tough alloy body and roller bearing assembly and come standard with “Captive” (Permanently Attached) Guide Bars. They fit both standard and raised lifter bosses. Durathon™ Roller Lifters are absolutely 100% Made In The U.S.A. and are competitively priced to go head to head with those lower cost foreign made lifters.

Durathon™ Roller Lifters are compatible with All Isky Tool Room™ Valve Springs and recommended for normally aspirated applications where up to 800 lbs. Maximum Valve Open Spring force is employed.
